

SHIELD OF FAITH

"Take Up the Shield of Faith" - Paul

Tuesday April 23, 2019

I give them eternal life, and they shall never perish; no one will snatch them out of my hand. My Father, who has given them to me, is greater than all; no one can snatch them out of my Father's hand. I and the Father are one. — John 10:28-30

Matrimony Day God's Way

God called me to throw an idea out there a week ago. You can read about it on my website. I won't use space in this morning's Shield of Faith. The idea is inspired by the fact that we are all newspapers and television stations now. The old media is dead. I want to do my part to contribute to the final nudge that will begin their plunge into the abyss of history. The advertising model for media is dead. The Google system of the world based on all internet content being infinitely copiable and free is also dead. The thinking and creativity of everyone who loves the true, the good and the beautiful is fast replacing this tiresome, annoying and cloying presence in our lives.

Since all of this is true this daily "Shield of Faith" email is now behind a donate wall ... well, almost. My plan is to post only the headline and first paragraph of each day's printable "Shield of Faith" on social networks and in email blasts. Readers will have to make a donation of any size in order to access this publication, and other valuable content, at www.michaelheath.org. I'm hoping that my membership functionality will be LIVE within days.

Back to "Matrimony Day God's Way." I'm thrilled to announce that my good friend Coach Dave Daubenmire has picked up the baton in this relay race. He has a bigger following than I have, and he is better with a bullhorn. Hopefully we're going to need that loud bullhorn in Washington D.C. on June 26th. Coach will use it to introduce order into the potential chaos of thousands of couples and families converging on our nation's capital to remind the Supreme Court and the world of what marriage is really. Matrimony has nothing ... absolutely nothing ... to do with same gender anything, as you know.
