SHIELD OF FAITH

"Take Up the Shield of Faith" - Paul

Saturday June 1, 2019

'If anyone comes to me and does not hate father and mother, wife and children, brothers and sisters—yes, even their own life—such a person cannot be my disciple.' Luke 14:26

Father and Mother

I think Jesus means what he says. In other words his strong thought here is meant to be heeded, not explained and interpreted. **The cost of following Jesus Christ ... of choosing to be his disciple ... is the affection of loved ones. Christians cannot put anybody or anything above God.** If we do that it is called idolatry. We break the first commandment when we practice idolatry ... right? If you won't stand with Jesus because you fear the loss of affection from family members then you aren't a disciple of Jesus. Period. If you are staying away from the fight for fear of offending a son or daughter on Fakebook then you are NOT a disciple of Jesus Christ. That's not me speaking. That's Jesus Christ. If your six foot icicle at church affirms your "personal relationship" with Jesus Christ every Sunday without telling you the plain truth about how much that relationship costs ... well, you are believing and living a lie. Narrow is the path that leads to LIFE. Broad is the path that leads to destruction. If you aren't preaching on Facebook then you aren't a disciple of Jesus Christ. You are a Fake. I fear for your soul. We've been so lied to by the media. **I met with a lovely 83 year old political activist who isn't a computer or internet person, she isn't connected. She had NEVER heard of Tommy Robinson. Stop and think about that for a minute. After having never voted before this thirty or forty something street fighter who has spent the last decade defending women from Muslim rape gangs in England nearly won a seat in the European Union. And this Christian political activist that I've known for over three decades has NEVER HEARD OF HIM.** That confirms for me the wisdom of my decision to abandon even FoxNews. I did that years ago. They must be working overtime to suppress news about Tommy Robinson. **Suppression has been the name of the game for media since Hollywood was invented ... by Jewish oligarchs.** The Roman Catholics offered the most enduring resistance. That resistance collapsed with Vatican II. Hollywood has been full-on soft core porn ever since, while the internet dishes out the hard stuff. I guarantee you that the one thing you won't get from any media in the West now — and it hasn't been presented for decades — is a "fair and balanced" perspective on anything religious. This is especially true of anything that touches on Christianity. You'll get puff pieces about Islam and eastern faiths. But Christianity has been in for hard core intolerance from the media since before I was born. It's amazing to me that there's anything left of the gospel of Jesus Christ in the West given the nature of the attack that has been launched against her. Thank God this resistance to the gospel is collapsing. **Give me that old time religion!**
