Love is patient, love is kind. It does not envy, it does not boast, it is not proud. — 1 Corinthians 13:4

Does Not Boast

Moldova is a small land locked nation southwest of Moscow. The only reason I know that fact is that I just looked it up on Google Maps. Sea ports are a big deal to nations. It appears, from looking at the map, that this nation doesn't have one on the Black Sea, but I could be wrong. It is surrounded by Ukraine and Romania. On my morning LIVestream Monday I showed a short clip of a parade in Moldova. It was held in May. **Leading the procession, and appearing throughout it, were Orthodox Christian Priests.** I saw Christian love and resolve in the faces of the marchers and Priests. I did not see envy, boasting or pride. I saw patience and kindness in their gait. I don't think they really wanted to hold the parade. **It was a public demonstration of resolve against demonic America ... against Donald Trump. But it wasn't political.** The march wasn't festooned with mocking baby Trump balloons. The people of the world know better. They know that **sodomy** is a deep perversion. It is a sick, evil and diabolical twisting of nature and reality. It isn't political. It is spiritual. **It is the most potent attack on the human soul that diabolical forces intent on destruction can muster.** And it isn't going to work. *The Church is rising. Christianity is coming to the rescue in the West, just as it is now rebuilding the devastated Soviet Union.* Moldova was — not so long ago — locked behind the Iron Curtain. No longer. She is rallying behind her Christian Priests and choosing Love over Hate. "Love is patient, love is kind. It does not envy, it does not boast, it IS NOT PROUD." **Three days from now I will be engulfed in a sea of boasting, pride and hate in the heartland of America.** A river of pathetic humanity will flow by me and my patriotic Christian friends on the streets of the once great American city, Columbus. **American "christianity" will be represented in this march. But it will be indistinguishable from it's surroundings, unlike the black clad Priests in Moldova. This cult will mix right in with the PROUD revelers boasting in their fornication and demanding government violence be used to silence and destroy all who disagree.** I defy anyone to stand in that unkind, impatient, boastful and PROUD river of "humanity" and tell me it has anything at all to do with love. I've been to this "parade" before. This event is about HATE. It is about hating the image of the creator. It is about completely erasing fatherhood in the civilization. It is about destroying innocent children. If **Saul Alinsky** were alive he'd be proud of this "gay" pride parade. And just like his mentor, **Lucifer**, he wouldn't have eyes to see the justice coming his way. You should come with Paulie, Jared and me and see it for yourself. You can't understand how bad things are unless you unplug from the putrid river of lamestream smut and step into reality. You'll never be the same.
