*Above all, love each other deeply, because love covers over a multitude of sins. — 1 Peter 4:8*

## Sex Deeply?

Two days from now I'll stand on the bank of the Columbus river of "love." The Columbus, Ohio "gay" pride march will flow past me and my Christian friends. The point of these marches is to make it aggressively clear to everyone that homosexuals and their sympathizers love each other deeply. Anyone who disagrees now chooses silence as a tradesman. **White collar work is no longer possible for the Christian who decides to use their social media account to defend innocence.** *Soon the government will be jailing Christians like my wife and me.* You laugh. You wouldn't laugh if you turned off your lamestream brainwashing device, and stopped taking your pills, long enough to open the eyes of your soul. **I ask people all the time if they've read "The Gulag Archipelago."** Nobody has. Hollywood's horror movies can't hold a candle to the level of inhumanity, torture and lovelessness (evil) that emerged in the Soviet Union under communism. Obviously the ideology that has America in it's grip holds the potential for Sodom-like violence and chaos. And why are we doing this to ourselves? To our children and grandchildren?! **We're doing it because we love sex more than we love anything else.** Peter reminds his followers in the verse above that we are ABOVE ALL to "love each other deeply." He was telling Christians to love other Christians deeply. **The American church has so perverted itself that it now believes that Peter is telling Christians to love everyone on the planet deeply.** The church teaches that doing this will "cover over a multitude of sins." Western Christianity will sometimes weakly admit that there is such a thing as sin ... and quickly remind everyone that grace and love extended especially to enemies will cover over even those minor infractions (like sodomy). This nonsense now passes as the gospel for most Americans. The sodomy-rights movement has no interest in Peter's love. **They stole the word "love" just like they stole the word "gay" and impregnated both ideas with sex.** The only thing they think about and want is sex. They sex each other deeply. And they know that all their sex covers over a multitude of their own sins. They don't care about anybody else's sin. Their orgasm helps them forget their own sins. To hell with any other sins. Imagine what sort of depraved mind it takes to pervert this glorious idea of Peter's. Why would anyone want to inject sex into everything having to do with Love? **We are absorbed now by their wickedness ... our brains working overtime to separate the two — love and sex. Innocence is gone. Now we're seriously debating in our institutions of lower learning whether or not it is moral for innocent children to be sexual and gender fluid. CHILDREN. God isn't going to have mercy on this. Nor should He.**
