"Take Up the Shield of Faith" - Paul

But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint. — Isaiah 40:31

Run

I'm starting to run again. I've done A LOT of waiting on the Lord over the past two decades. I am beginning to suspect that my strength is renewed. I just love the thought of mounting up with wings of eagles. I soloed in a Piper Cub before running out of money when I was in my early 30s. I found it boring. **I was made for the dive bombing part of the eagles flight ... not the soaring part.** God's wilderness for me included a lot of wandering through far-flung political and ministry fields. With renewed strength I'm back doing what created such a stir in the first couple decades of my career. **I'm writing every day and publishing on the internet.** I became so effective at this that the Maine Senate adjourned for a day and unanimously condemned me in a letter while the lamestream media assassinated me. I didn't have Trump's billions or his life experience. I withered in the worldly and spiritual firestorm that raged around me. My "sin?" *I promised in an email to publish a website that would name everyone serving in the State House along with their sexual orientation. I did this because at that point in my career the people of Maine had twice rejected the HR5 idea of adding "sexual orientation" to the anti-discrimination statues.* The people of Maine did this in statewide voting, against the wishes of the political and media class. I reasoned that since the political class was so addicted to this ill-defined notion of "sexual orientation" it would be instructive to know theirs. I had already decided to be the first on the list, since I was a lobbyist at the time, and that I would answer, "married" ... the rest is none of your business. **I now know that the political class in Maine is filled with sexual predators. They use their significant power to "enjoy" their sexual orientation without having to give an account. It's only those who can't afford a lawyer who have to worry about all those "abuse" laws.** Maine and America have been ruled by a Jezebel (feminist) spirit for decades. Truth be told it has infected the West through the Americanization of Christianity. Hellary Clinton and Janet Kills are Jezebels. They sit atop unaccountable power structures that are corrupt from top to bottom. The corruption is primarily sexual. Since that corruption is fundamentally immoral it is also religious. **Now we are witnessing the collapse of the last significant hold out against this corruption of America — Evangelical Christianity.** Roman Catholicism collapsed at the level of the hierarchy fifty years ago. This was accomplished through a combination of willful subversion and diabolical intellectualizing. **Evangelicalism is collapsing now mostly because of the diabolical intellectualizing.** But God is still God. And the laity is rising up and talking louder than they ever have. All the googlefakebooktwittermicrosoftappleization in the world isn't going to be able to stop their voice from rising. Nope. The jig is up. **King Jehu is stepping through the gate. Jezebel is about to be thrown out the window.**
